Dear Sir

Thank you so much for the kind donation of £4,000 in relation to your golf day. We really appreciate your support it will go along way in supporting the work that we do at EACH.

EACH's three multi-disciplinary care teams help local life-limited and life-threatened children and their families with the emotional and physical challenges they face, helping them to make the most of life. They welcome the whole family for a short break together or time to themselves in a home-from-home environment or in the comfort of their own home. They offer a diverse range of services including: care at end of life, short break care, specialist play, music therapy, telephone support, practical help, advice and information and bereavement support for all family members, including siblings and grandparents.

EACH needs to raise £5.5million per year to maintain current service levels, approximatley 75% is needed from public support.

Once again thank you for your kind support.

Yours sincerely,

Carl Brooks
