Dear Mr Varvel,

I am writing to thank you very much indeed for your fantastic donation of £4,000 that Pentacos raised through the recent Golf Day, for Macmillan Cancer Support.

It was great to meet you and I hope you enjoyed the event. Pentacos have raised an amazing amount of money for Macmillan Cancer Support and I can assure you it's greatly appreciated.

Macmillan Cancer Support improves the lives of people affected by cancer. We are a source of support: providing practical, medical, emotional and financial support. We are a force for change: listening to people affected by cancer and working together for better cancer care.

More than one in three people will be told they have cancer at some time in their life and every year over 4,000 people in Norfolk and Waveney face this diagnosis. We are already bringing expert care to local people, unique and vital work which changes countless lives for the better. However, as treatments improve, the number of people living with cancer steadily increases and the need for Macmillan services in the area keeps on growing. So as well as taking action today to support people with cancer, we're shaping the future of cancer care.

Thank you again for supporting Macmillan and helping us to make a vital difference to local people living with cancer and I look forward to hopefully working with you again next year. If there's anything else I can help you with in the meantime, please don't hesitate to contact me.

Yours sincerely,

Helen Chapman
